# A STIR OF ARTISTS 2020

The 11th Annual "A STIR OF ARTISTS" will be held

Saturday and Sunday - June 13 & 14, August 8 & 9

Village Park in Bemus Point N.Y. from 11am – 5pm

We are trying something new this year. We have moved out of July and into June. Most comments from the customers coming through was that we were the same vendors so close in time. Which to them looks that way so this way we have a month between shows. We are trying to have it be the second weekends of both months every year for consistency.

Artists and artisans in many mediums such as watercolors, acrylics, oils, sculpture, basket weaving, wood working, jewelry making...and much more participate in a family friendly event. All work must be original and executed by the accepted artist. Artwork must be handmade by the artist. If multiple pieces of the same design are displayed, each must be signed. Only artists who have been accepted in the jewelry category are permitted to display and sell jewelry. Paintings, graphics, prints, and photographs must be appropriately signed, numbered, framed or matted, and must be displayed in a suitable portfolio or stand.

**SPACES:** Exhibitors must provide their own canopies, signage and displays and they must be professional in appearance. This is a rain or shine event. If weather conditions become threatening to artists or artwork an announcement will be made to recommend that artwork be taken down. Due to possible windy conditions, we recommend tent stakes, sandbags, concrete blocks or water barrels for booth stability. There are no assigned spaces.

**Check-in:** This takes place between Friday at 5pm and Saturday as early as you would like. Spaces will be staked out by 5pm Friday night. All work must be in place by 10:45am each day and remain set-up until 6pm each day. The consequence being a no show, being late to set up or early to take down will result in being unable to exhibit in upcoming years. (If there is an emergency the day of the event contacts us by email at [astirofartists@gmail.com](mailto:astirofartists@gmail.com)).

Exhibitors are responsible for the safety and liability of their own display and product. Live demonstrations of the creation of your art are encouraged (if you need electric to do so please specify). This will be advertised as a family friendly event. We ask that there is no nude or disturbing imagery. A STIR OF ARTISTS holds the right to ask any artist to remove anything deemed inappropriate.

**NOTIFICATIONS:** Application DEAD-LINE March 31<sup>st</sup>. Acceptance/non-acceptance email will be sent on approximately April 15th, 2020 Please do not call to check on the status. We had several applicants last year so we will run as 1<sup>st</sup> in first acceptance. Please be advised that we will try our best to limit the number of similar artists.

Fees will be due no later than April 6th if check is not sent out by this day the spot/s may be given away to other artists. FEE Each weekend (Saturday and Sunday) is \$40 per space. Moneys collected will go toward advertising and running the event.

Please make checks payable to **Clair Hansen** and Send to:
